Steven Cohen, Ph.D.  
Interim Assistant Superintendent  
Curriculum and Instruction K-12

February 2017

Dear Parents and Guardians:

We are pleased to announce a special Saturday Enrichment Program coming to Sachem Central Schools this spring. This program will be provided by SCOPE Education Services for all Sachem elementary students, and will be run on five (5) Saturdays between the hours of 8:45 a.m. to 12:00 p.m. at Tamarac Elementary School in Holtsville.

This program will combine fun, interactive learning opportunities and supervised physical education/recreation programs. There will be two sessions each Saturday. (Session 1: 8:45am-10:15am & Session 2: 10:30am-12:00pm) Students may attend one or both sessions. There will be a quick break between the sessions and students are welcomed to bring a small snack. Groupings will range between grades K-2 and 3-5. We have heard great feedback from other districts that have offered this program to their community.

This program takes enrichment to a new level offering many well-rounded, hands-on enrichment and recreation activities for your child. Information about cost and program content will follow in the days ahead, since the Spring 2017 Saturday Enrichment Program will begin shortly.

Sincerely,

A handwritten signature in black ink, appearing to read "S. Cohen".

Steven R. Cohen, Ph.D.

Interim Assistant Superintendent of Curriculum and Instruction
