October 2016

Dear Parent or Guardian,

Once again, Sachem School district will be providing for some traditional in-school activities to be held outside the school day. It is expected that this arrangement will allow youngsters at the 5th grade level to spend more time in the classroom. This program is **optional** and will start during the week of November 7, 2016.

Our plans call for a Physical Education Class for girls and boys to be held on selected Monday mornings from 8:15 a.m. – 9:15 a.m. Girls will begin Monday, November 7th and boys will begin on Monday, November 21st. Participants will be given a schedule during physical education class.

Be advised that unless we are aware that the supervising staff member will be absent from school on the day before a rehearsal or activity, we will have no means of notifying the parents of a staff member's absence. In this case, supervision (informal study hall) will be provided until the start of the school day.

If your child is a walker, the School Crossing Guard will not be available before school. Please reinforce safe walking habits with your child.

Please sign the permission form below and return to school with your child as soon as possible. No student will be permitted to participate unless a signed permission slip has been received.

Sincerely Yours,

Christopher Cordella and Clodagh Harte

Physical Education Teachers, Tamarac Elementary School
