

Dear Tamarac Families,

By now you may have heard about and or participated in activities hosted by The Tamarac Fathers' Club. I wanted to take this opportunity to formally introduce ourselves to the Tamarac Community. We are a group of volunteers that came together under the leadership of Mr. Saidens to create an environment that would allow for a unique experience for our children, by providing activities, events and services not typically available and facilitating improvements to the school/community environment.

Our goal is to foster and encourage a growing bond between Students, their families and the Tamarac Community. We will look to support and enhance the educational experience for all students attending Tamarac Elementary School.

As a Tamarac alumni and member of the community it has been a wonderful experience over the past year meeting so many people that have supported the club and participated in the events and activities we have offered. Some of the highlights include the fall clean up and flower plantings at the school, the private showing on opening weekend of the new Star Wars movie as well as the Applebee's Pancake Breakfast where we had many of our great Tamarac teachers serving breakfast and interacting with our children and families. We hope to make this an annual tradition!

The Tamarac Fathers' Club started out as an idea to bring community members, that may not have had an opportunity to participate in school functions, together to discuss ways to closer align with our children and their school. As we endeavor to engage in larger activities we have formalized the club by electing Officers and a Board of Directors to guide us forward. I am happy to announce the following parent volunteer leaders of the Tamarac Fathers' Club.

- President – Vincent Reynolds
- Vice President – Stephen Petras
- Treasurer – Chris Catalano
- Secretary – Matt Fuchs
- Director – Brian Toia
- Director – Dave Ratto
- Director – Chris Leone

As we look toward the future there are many exciting events and activities we are planning. Working alongside the Tamarac PTA we feel we will be able to provide our children an experience unmatched by any other school. If you are already a Fathers' Club member, thank you for all your support. If you have not yet joined, please consider joining as we would welcome the opportunity to have more parents/guardians participate in this exciting organization.

Thank you.

Best Regards,

Vincent Reynolds
