

The Tamarac Kids Care Club  
Presents Comfy Cozy Day  
Tuesday, January 17<sup>th</sup>

This school year we are working with a non-profit agency, Medical Mission International Inc. Our goal is to raise money to support their work in El Salvador. Medical Mission International was founded to provide immediate medical and surgical care to people in under-privileged regions of the world who have very little access to health care services. Please visit their website for more information.

<http://www.medicalmissioninternational.org>

We would like to raise enough money to help them to build a children's indoor recreation room and also buy a pediatric scale for their hospital.

Suggested donations of \$1.00 will help support our fundraising goal. Please, bring in your donation on or before Tuesday, January 17<sup>th</sup> and dress in your comfy cozy clothes that day. Together, we hope to make a big difference in the lives of the children in El Salvador.

-----  
Please tear off and return this portion and your donation to the Tamarac Kids Care Club.

( ) Yes, I'd love to dress comfortably to show my support!
