Dear Tamarac Community,

Last week we had two very important programs that focused on Fire Safety and Stranger Awareness. Please take ten minutes this week to review the important discussion points from these two essential safety programs with your children.

Please take a visit to <https://rosebrucia.org/>. There are some great resources here. Please discuss a secret word that only your children will know if you need to make a last minute change for pick-up plans and someone else will get them.

Where is your meeting place in case of a house fire? Do your children know where to go and what to do? Do you have a specific plan? These could be some good discussion points to have with your children during a family dinner.

Below you will see the message going out to all residents of Suffolk County:

Take 5 minutes with your family today, review and take the pledge... Have a plan, practice and test... you could be saving your lives... share it to save others!!!! #SafetyNeverTakesAHoliday

Visit and take the pledge

Thank you for taking the time to review these two topics with your children. Have a great week!

Sincerely,

Michael S. Saidens
