September 8, 2017

Dear Tamarac Community,

Thank you Tamarac students and families for a great first week! We greatly appreciated your patience during the first few days, especially with any transportation difficulties that may have occurred.

Monday, September 18th is our Open House. The schedule has been e-mailed, sent home and is also available on our website. Please know that our special area faculty will be available from 6:15 PM to 8:00 PM that night. Please feel free to visit them in their rooms.

If you have not done so already, please return your completed emergency cards to your child's teacher as soon as possible. You will need the name of 3 emergency contacts and their phone numbers, your child's physician's name, address and telephone phone number. Please check your phone numbers and email addresses on the emergency card to ensure they are accurate. If they are incorrect, please update the information.

Please remember that this night is an opportunity to meet your child's teacher, learn about what events and activities are occurring through the year. It is not the time to discuss your child's specific needs. Should you need to speak about a concern with the teacher, please set up a meeting/phone call with your child's teacher to discuss at a later date.

You will also have an opportunity to join our PTA, Father's Club and learn about scouting opportunities for your children. There will be information about our upcoming fundraisers as well. Fun books will be here for sale as well. ☺

Open House is for parents only. Please do your best to find a babysitter that evening for your children. As we did last year, we will be entering and exiting Tamarac through our Cafeteria doors. This is the same door that we use for walkers.

Sincerely,

Michael S. Saidens

Michael S. Saidens
