Dear Parents and/or Guardians,

In a continued effort to make the entire school experience for our children the best it can be, starting with the bus ride to school, to the classroom, special areas, the cafeteria, the playground and back home from school, safe and stress free, all Tamarac students will participate in grade level meetings to review student expectations while they are under our supervision, as well as, consequences that may result from inappropriate and unsafe behaviors. In addition, all students will receive a copy of these expectations and a contract to review and sign with their parent and/or guardian regarding appropriate school behavior.

It is our hope that these efforts will help eliminate any unsafe behavior on our buses and in our school to ensure a safe and enjoyable day for your child and all children attending Tamarac Elementary School.

Please know that ALL students will need to complete and return the Behavior Contract. All Tamarac students will meet with me and participate in a grade level conversation about our expectations. They will have an opportunity to ask questions and participate in our discussion. As such, it is imperative that you and your child are familiar with student expectations while under our care.

We have great students and families at Tamarac. All of us working together to make each day the best it can be for all children is why Tamarac is such a special place.

We appreciate your support and cooperation in this matter, as well as your dedication to making your child's elementary school experience the best one possible.

If you have any questions or concerns, please do not hesitate to contact Mr. Saidens or me.

Respectfully yours,

Gina Mordente and
Principal's Aide
