PHILOSOPHY

The SYAG Travel Program was established to provide a higher level of play than offered by our in-house program, at a lower cost than the average travel baseball team. The teams are selected through a tryout, and will compete against youth organizations from other communities.

GOAL

The goal of the SYAG Travel Program is to develop the mental and physical condition of our ballplayers, promote the love of baseball, and properly represent SYAG in other communities through the true spirit of good sportsmanship. The SYAG Code of Ethics must be adhered to at all times by players, coaches and parents.
